Chairman's Message

DELHI INSTITUTE OF HIGHER EDUCATION was established in 2022 with a clear vision and purpose. It was envisioned that in the foreseeable future it would evolve into a world-class business-school recognized for its commitment to high powered quality education and research. DIHE is also committed to developing outstanding professionals & entrepreneurs, who exemplify humanistic values, are socially responsible stewards who will create & disseminate practitioner-oriented knowledge that will uplift society.

In order to keep pace with the velocity of change and thrive in an uncertain environment, DIHE has already shifted gears to a mode of mastering change. It has launched several strategic initiatives at both the macro and micro levels to ensure that students' overall development is in tune with the present demands and expectations of industry. At DIHE, our strategic focus in future will address areas of curriculum design, mentoring & live project, advanced statistical software training, international summer internship, soft skills, stress coping & EI learning. These initiatives will focus on developing student competencies in dealing with global complexity, emerging technologies, change, social & cultural diversity.

Director's Message

Paradigm shift in Education has placed learning at the center stage, with increased emphasis on global mindset and holistic education alongside a fast-paced, ever-changing environment.

Dr. Rajeev Kumar, Director, DIHE Noida believes that this change has necessitated the relevance of a quality business education. The changed world now requires a new orientation towards Leadership and Management, new skill sets, new narratives at workplace. Graduates need to stand up for the challenge with analytical mind, problem solving capability, decision making, leadership and social connect. Students at DIHE, Noida. are exposed to a holistic and experiential learning with great emphasis.

Best Wishes

Placement

We at DIHE place a lot of emphasis and value on practical exposure and hands on experience that comes with “being on the job”. We encourage summer internships and mentoring programmes for all the courses. We believe this helps a student to understand their area of interests and also learn to apply their knowledge in the actual world. The dedicated team for placements initiates campus placement drives for students at the beginning of the last semester. Executives and prominent personalities from the world of business, Journalism and other specialized domain are invited to share their insightful experiences and advice our students via Guest lectures. Our placement cell has associations with the top corporate firms and brands. Some of our esteemed recruitment associates are as follows:

Hear It from Our Learners

We at DIHE truly believe that an institution's alumni are the reflection of its past, representation of its present and a link to its future. We have a strong alumni network and organize regular alumni meets. Many of our alumni's are working in reputed companies holding big positions and are often invited to talk to our current batches to increase their industry knowledge and morale

3 years at the institute were undoubtedly the best years of my academic life. When I look back now, I realise how the institute helped me to shape my personality and infuse self confidence.

Jot Swaroop Singh
Barter International INC.

I feel the exposure we got from our Institute was not limited to the boundaries of India but was global too. It gave me third eye to see how world is moving and where we can position ourselves globally.

Akash Moshal
APAC NS Matrix Services

My stay at the institute was Enjoyable and rigorous journey. The institute continuously thrives to bring in best talent by personal grooming of each student.

Himanshu Bisht
SI-UK India

Excellent ambience, supportive faculty & abundant opportunities is what distinguishes the institute from others. The learning was enjoyable. Today I am well prepared to face the challenges of the industry.
